Child's Middy Sweater No. 504

When *ending* each needle on both sides, cast on 6 sts. for sleeves 8 times, being 48 sts. added on each side, there being 162 sts. on the needle; now k. 18 ribs plain.

Next row: K. up from bottom of sleeve 75 sts.; bind off 12 sts. for back of neck, take off on a safety pin the 75 sts. first k., and on the other 75 sts. k. 2 ribs; when working towards neck next time increase 1 st. next to last st., and repeat this until 5 extra sts. have been added (making 80 sts.) and there now should be 7 ribs.

Next row: At neck end cast on 10 sts. (making 90 sts. for revers at front and then k. 10 ribs plain; again when *beginning* sleeve, bind off 6 sts. and repeat this at beginning of sleeve each time for 8 times, or until the 48 sts. are bound off, leaving 42 sts. on the needle; and the front part is kept perfectly straight, knitting 8 ribs more, being *sure* to knit to center front. Break yarn.

Take these stitches off on a safety pin, take up stitches on opposite side, and k. the same; and when knitting towards front on last row, k. all the stitches on both sides on to one needle and work remainder of garment just like and same length as back. Sew up under-arms and sleeves. Be careful to set up and bind off garment so it will be as elastic as the purling.

COLLAR: With Rose cast on 72 sts., or 12 inches, which is bottom of collar, and k. 4 ribs in Rose, 1 rib Blue, 1 rib Pink, 1 rib Green, 1 rib Pink, 1 rib Blue, 38 ribs Rose (or 9 inches from bottom of collar).

Child's Middy Sweater No. 504

Size 5 to 6 years

Rose is the color selected for this charming little middy sweater. The wide stripes at the bottom are worked in Nile green, pink, and blue. Finer stripes in these colors are used on collar and cuffs. The edge of the collar is finished in Brier stitch in the brown, ending at the front with cord and balls. Perhaps the worker will find sufficient left-over materials in her workbasket for the stripes, as they require but a small amount of each color.

Materials: Corticelli Shetland Flossa Yarn, 4 balls Old Rose No. 22, 1 ball each Nile Green No. 40, Pink No. 20, Baby Blue No. 31, Tobacco Brown No. 58. One pair No. 5 celluloid Knitting Needles.

Another pretty color combination is Old Rose No. 22 with stripes of Chamois No. 50, Baby Blue No. 31, and Chartreuse No. 43.

Instructions: Cast on 66 sts. in Old Rose. K. 8 ribs in k. 2, p. 2. 17th and 18th rows: With Brown k. the same. 19th, 20th, 21st, 22d, 23d, and 24th rows: K. same in Blue. 25th and 26th rows: K. same in Brown. 27th, 28th, 29th, 30th, 31st, and 32d rows: K. same with Pink. 33d and 34th rows: K. same in Brown. 35th, 36th, 37th, 38th, 39th, and 40th rows: K. same in Green. 41st and 42d rows: K. same in Brown.

This finishes the fancy border which fits over hips.

Join the Old Rose and k. in plain Garter stitch for 40 ribs, or 9 inches, which brings garment to sleeve and it should measure 14 inches from bottom.

Middy Sweater No. 504

CUFFS: With Rose cast on 50 sts., k. 4 ribs in Rose, 1 rib Blue, narrow 1 st. at each end of needle on this row, k. 1 rib Pink, 1 rib Green, 1 rib Pink and on this Pink rib narrow 1 st. at each end, then 1 rib Blue, 3 ribs Old Rose and on this 3d row narrow 1 st. at each end. There should now be 44 sts. on the needle, k. 9 ribs more without narrowing.

Sew up cuff and sew to bottom of sleeve, turning back over sleeve. Sew collar on at neck from commencing of the 10 sts. cast on for revers.

In Brier stitch with Brown, double crochet all around collar, revers, and top of cuff. Crochet 3 small balls and one large one for pendant at front, string these on a 5-inch cord of Brown, and sew at bottom of front opening.

Child's Knit Country Club Sweater No. 505

Size 2 to 3 years

Many of the children's styles follow closely along the lines of the smart sport models that are proving so popular with the "grown-ups." A pretty country club sweater is knit in wool in plain Garter stitch with collar and cuffs of baby blue Sweater Silk worked in an ornamental stripe. A blue crocheted cord of the silk fastens the collar. If preferred pink may be used for the trimming instead of the blue. The bottom of the sweater is knit in Cardigan stitch, giving a fitted band over the hips.

Materials: Corticelli Shetland Flosola Yarn, 4 balls White No. 98; Corticelli Sweater Silk, 1 ball Baby Blue No. 423 or Pink No. 300. One pair of No. 4 celluloid Knitting Needles.

Instructions: Cast on 70 sts., knit in Cardigan stitch 2 inches, then knit in plain Garter stitch 39 ribs (or 9 inches) (2 rows make a rib).

At end of each row cast on 8 sts. (for sleeves) 5 times, or until you have added 40 sts. on each side, which makes 150 sts. on needle; knit plain for 24 ribs, then knit up from end of needle 69 sts., bind off 12 sts. for back of neck and take off on safety pin the 69 sts. first knit, and on the remaining 69 sts. knit back and forth for 3 ribs, then widen 1 st. at end of needle when coming up to neck for 6 times (which is every other row).

Cast on 10 sts. at neck when coming back towards neck next time and work plain back and forth for 15 ribs, bind off 8 sts. at beginning of needle at bottom of sleeve every time for 5 times, or until 40 sts. are bound off, and work plain back and forth for 13 ribs more, work to neck end of needle and break wool.

Take up the 69 sts. on other front and knit same, and when knitting across next time knit stitches on both fronts on one needle and knit 25 more ribs. Then knit the 2 inches in Cardigan stitch same as back.

COLLAR: With the Blue silk set up 40 sts. and knit in plain Garter stitch until there are 5 ribs. Make fancy stripe as follows:—

1st row: Purl across.

2d row: Slip 1st st., knit 2 sts. together all the way across until last stitch, knit plain.

3d row: Slip 1st st., knit thread between 1st and 2d sts., knit 3d st., knit thread between, and repeat across row, but do not knit thread between last 2 sts., knit last stitch. This keeps the 40 sts. on needle. This completes fancy stripe.

Then knit plain until there are 5 ribs on the right side and 6 on wrong side, and commence the fancy stripe again by purling across on the wrong side.

There should be 8 fancy stripes and 9 plain.

Finish edge around collar with Brier stitch crocheted in same silk, and work same down front. Work cord for loops in front, of the silk, putting 3 white bone rings on cord, fastening up in 3 loops, 1 ring to each loop, sewing close down to opening at front.

Make cuffs same as collar, 20 sts. deep, sew on to bottom of sleeve, and turn back.

Sew up sweater, under-arms and sleeves.

Country Club Knit Sweater No. 480

Size 36 to 38

The body of the sweater is knit in old rose. The collar and cuffs are crocheted in Paisley silk of the same color as sweater.

Materials: Corticelli Shetland Flosola Yarn, 8 balls Old Rose No. 22; Corticelli Crochet and Knitting Silk, 4 spools Paisley No. 1207. One pair No. 5 Knitting Needles.

Instructions: Cast on 105 st. for border. 1st row: K. across plain. 2d row: K. 1, purl 1, all the way across. 3d row: K. plain. Repeat 2d and 3d rows, making 32 rows for border.

Then knit in Garter stitch, decreasing 1 st. on each side of work every 5th rib (2 rows make a rib) until there are 86 sts. on the needle, then k. until work measures 22 inches from bottom.

Begin sleeves by casting on 4 sts. at ending of needle every time on each side for 17 times, making 68 sts. for each sleeve, or 222 sts. all together on the needle. K. 20 ribs even, then k. up 103 sts., bind off 16 sts. in exact middle of work for neck. Take off on safety pin the 103 sts. already knit and on the other 103 sts. k. 3 ribs, then increase 1 st. on neck side every rib for 10 ribs. Cast on 10 sts. at neck, k. 7 ribs, then begin binding off sleeves by binding off 4 sts. at beginning of row

every time for 17 times. This completes sleeves.

Then k. 7 ribs plain from ending of sleeve (always increasing on the underarm side every 5th rib same as decreased on back. This must be done all the length of front). At end of 7th rib take off these stitches on a safety pin and k. other front the same to this point, then k. stitches on both sides on one needle (being careful that the ribs are the same on both sides). K. plain to within 32 rows of bottom and make border same as on back. Bind off.

COLLAR: Work with double thread. With Paisley silk make a chain of 117 sts., make 1 d.c. in 4th st. from needle, 1 d.c. in each st. across row, taking up both sides of stitch. 2d, 3d, and 4th rows: Like 1st (always make a chain of 3 to begin row, which counts as 1 d.c.). Commencing on the 5th row begin a diamond of Deep Pink same as sweater is made of, making 1 st. of Pink every 8th st. and the next row forms the center of the diamond with 3 sts. of Deep Pink, next row 1 st. of Deep Pink over the center one on the 5th row, all the rest of the collar being made of the Paisley silk, working 42 rows in d.c. for the whole collar.

CUFFS: Work with double thread. The cuffs are made the same way as collar, making a ch. of 102 sts., making 99 sts. for the work. On the 14th row decrease 1 st. at one end, next row decrease at the other end of cuff and work in this way for 10 rows, which makes cuff the right size for wrist, the border being worked in at the beginning of cuff.

Athletic Sweater No. 514

The smart little slip-on sweater is at present worn by the young girl almost to the exclusion of other models. It is the favorite type with the college girl, and at mountains, shore, and country club. This one is knit in a deep rose, and the stripes below the waist are in rose, Delft blue and old gold, with character lines of black. Narrow stripes in these same colors are used on collar and on the edge of the abbreviated sleeves. The edge of the collar is finished with a row of Brier stitch in all three colors, ending at the front with cord and three crocheted rings. The sweater is purled to fit closely below the waist.

Bag Cane No. 515

Probably the present fad of knitting in all places and at all times first suggested the idea of attaching the bag to the walking stick. If a cane with a curved top is used it may be hung over the arm, the ball of yarn slipped into the bag and the ambitious pedestrian can enjoy her tramp and finish her piece of work at the same time. At the beach the cane is stuck in the sand conveniently near the worker. It is also a convenient way of carrying the purse, handkerchief and other accessories. The bag illustrated is crocheted in rose sweater silk and the edge is worked in fine gold thread. The bag is about 10 inches deep. Select a white cane about 39 or 40 inches long, push it through the center of the bag, lace the cords around the handle and secure with a few tiny nails.

Materials: Corticelli Sweater Silk, 2 balls Beauty Rose No. 640; fine Gold Thread, 8 cards. One No. 5 steel Crochet Hook.

Instructions: Ch. 24 sts. (There should be 64 sts. across top and 42 rows.) Ch. 3, turn, 1 d.c. in 2d st. (As in all the rest of the work which will be in d.c., the ch. of 3 counts as the 1st d.c., but be sure to take last d.c. of row in top of the ch. of 3.) Make d.c. in each stitch across row, no more widening; repeat this row until there are 12 rows.

Next row: Ch. 5, skip 1, 1 d.c. in next stitch, ch. 1, skip 1, 1 d.c. in next; repeat across row, ch. 5, turn. Silk Sport Vest No. 516

A smart silk sport vest is crocheted in old gold and the neck is finished with a row of Brier stitch in white. On the left side is a small set-in pocket with tab. The buttons are cut pearl.

Materials: Corticelli Sweater Silk, 7 balls Old Gold No. 985.9. One No. 5 Crochet Hook.

Instructions: Begin at bottom of back with a chain of 33 sts. (or 5 inches long). *1st row:* Work 1 s.c. in each chain, making 32 sts., ch. 4 and turn, always taking up both sides of the stitch. *2d row:* Work in s.c. on this chain, which will make 3 extra stitches, and all across row in s.c. as before. Make this chain of 4 at the end of each row on each side until there are 8 rows increased. *Next row:* Ch. 2 at end of each row, work back over chain the same as before for 13 rows (or until the work measures 14½ inches wide). Make 56 rows in s.c. without widening (or 7½ inches long).

Next row: Widen by putting 2 s.c. in 2d st. and 2 s.c. in next to last stitch of same row. Make 2 rows without widening, widen on the 2d and next to last stitch of next row and work 71 rows in straight s.c. without

widening. The entire back should measure 18 inches from bottom.

Without breaking silk continue work over shoulder on one-third of the stitches across back, for 10 rows, then increase 1 st. every 5th row at neck side until work measures 5½ inches across, then increase in same way on both sides, also on this row increase 1 st. in center, and the remainder of the increasing on both sides would be once every 5th row, but in the center for the bust form increase twice every other row until 11 sts. have been added, always keeping the increased stitches in the center of the widenings. After the 11 sts. are widened in center, knit plain across, only widening at each side every 5th row until there are 56 rows from beginning of shoulder, and working in 19 sts. from under-arm side ch. 20 sts., skip 20 sts., and work the rest of the way across in plain s.c.

On working back next row work the 20 sts. on ch. of 20 made on previous row. Continue working in plain s.c., widening same as before on ends until there are 66 rows from the beginning of shoulder, or work measures 9½ inches across.

Corticelli Yarns

Next row: On under-arm side ch. 12, turn and work over chain and rest of the row until front edge is reached, then ch. 10 and work back and forth on this ch. of 10 and the rest of the work for 65 rows (or 8¾ inches).

Next row: * Leave off 3 sts. on reaching under-arm side, turn without chaining 1 and make 1 s.c. in 2d st. On reaching front edge take up loop in each of the last 2 sts. and pull wool through all 3 loops on hook, ch. 1 and turn, and continue back on work without decreasing until under-arm side is reached and repeat from * until about 4 sts. remain on point at front.

Work other front to correspond, only on the right side work buttonholes, starting on the 4th row from ch. of 10 and within 6 sts. of end make ch. 3, miss 3 sts., 3 s.c., ch. 1 and turn. On working back on next row make 3 s.c. on the 3 ch. Make 8 rows of s.c. between each buttonhole. Join up vest at under-arm, leaving about 1 inch open at bottom of seam. Finish all around vest and armholes with 2 rows of s.c., working around armhole rather tightly to pull it into shape. With crochet hook around neck work in Brier stitch with white Sweater Silk for finish at neck.

POCKET: Pick up the stitches at the top of pocket opening at right side, which will be 22, and work back and forth for 6 rows. Make 2 rows of s.c. all around flap. Pick up stitches at bottom of pocket opening on wrong side and work back and forth for 36 rows, fold in half, sew the end of strip to under side of pocket opening at top and sew sides of pocket together.

BAND AT BACK: Make a ch. of 9 and work in s.c. (taking up both sides of the stitch) 8 sts. wide for 14½ inches long, and sew same on to back of vest. Put the bottom of band at the beginning of opening on sides, fastening 2 buttons on each end for trim and draw elastic into this band to bring down to size desired.

Athletic Sweater No. 518

With Old Rose begin sleeves by casting on 4 sts. at *ending* of needle every time, on each side, for 16 times, making 64 sts. for each sleeve, or 211 sts. all together on the needle. Knit 20 ribs even, then knit up 98 sts., bind off 15 sts. in exact middle of work for neck.

Take off on safety pin the 98 sts. already knit and on the other 98 sts. knit 3 ribs, then increase 1 st. on neck side every rib for 10 ribs.

Cast on 10 sts. at neck, knit 7 ribs, then begin binding off sleeves by binding off 4 sts. at beginning of each row at sleeve end every time for 16 times. This completes sleeve.

Next row: Knit perfectly plain Garter stitch for 7 ribs, ending the row at the front side, and take these stitches off on a safety pin. Take up front on opposite side and knit the same to this point and when knitting back the last time from under-arm towards front knit opposite side on same needle, bringing all the stitches on to the one needle, then knit plain to beginning of the colored stripes at bottom, which knit same as back.

A graceful little wrap for the house or piazza is the new shoulder vestee. This one is knit in soft white wool and the cuffs, edge around collar, buttons and cords are worked in silk in a deep pink. It can be made entirely of the wool but the silk trim is very effective. The wrap is quite easy to make and by many will be welcomed as a new and dainty idea for a gift.

Materials: Corticelli Shetland Flosola Yarn, 4 balls White No. 98; Corticelli Sweater Silk, 1 ball Deep Pink No. 237.

Instructions: **WRIST:** With the Sweater Silk cast on 46 sts. in Cardigan stitch (or large enough to go over the hand) and work 6 inches. Join the Flosola and, working in plain Garter stitch, widen 1 st. in each stitch, all but first and last stitches.

On next row increase 1 st. every 7th st. until there are 12 sts. widened (making 100 sts.), then knit in plain Garter stitch until 1½ yards long from ending of cuff to beginning of other cuff. Then decrease 1 st. every 7th st. Next row knit 2 sts. together all the way across except the first and last stitches; there should be 46 sts. on needle. Work cuff in silk same as first. College Tennis Coat No. 520

Stripes of turquoise and pencil lines of old rose give diversity to the pongee color of this model. These stripes are worked effectively around the bottom of sweater, into the cuffs, and across the points of the distinctive collar. The edge of the collar is finished with a row of Brier stitch in rose, ending at the front with cord and balls, and a ball pendant decorates each point at the back. The tab over the set-in pocket is worked in turquoise and finished with fine stripes of the pongee and old rose.

Materials: Corticelli Shetland Flosola Yarn, 5 balls Pongee No. 51, 1 ball each Turquoise No. 38 and Old Rose No. 22. One pair No. 5 Knitting Needles.

Another good color combination is Nile Green No. 40 with Pink No. 20 and Violet No. 74.

Instructions: With Pongee cast on 80 sts. very loosely, and knit in Cardigan stitch, which is,—always cast on an even number of stitches with this stitch, *knit* first stitch, wool in front of needle, take off stitch as to purl without knitting same, put wool back of needle and knit next stitch, repeat across row; the last stitch will be taken off without knitting. Knit all rows the same as this, being sure to always knit the first stitch. This forms a double work and is very elastic for the bottom of garment.

Knit 14 rows in Cardigan stitch in Pongee, 2 rows Rose, 8 rows Turquoise, 2 rows Rose, 8 rows Pongee, 2 rows Rose, 8 rows Turquoise, 2 rows Rose; this ends the border.

Now in plain Garter stitch knit 10 inches with the Pongee without either widening or narrowing (if garment is desired longer knit more inches here before setting up sleeve).

Begin sleeve by casting on 4 sts. at *end* of needle every time, on each side, for 16 times, making 64 sts. for each sleeve, or 208 sts. all together on the needle. Knit 20 ribs even, then knit up 98 sts., bind off 12 sts. in exact middle of work for neck; take off on a safety pin the 98 sts. already knit and on the other 98 sts. knit 3 ribs, then increase 1 st. on neck side every rib for 10 ribs. Cast on 10 sts. at neck and knit 7 ribs, then begin binding off sleeves 4 sts. at beginning of needle every time at sleeve end until the 64 sts. are all bound off (there should be 54 sts. left on the needle), knit 7 ribs ending at front, break yarn and knit other side to correspond (on 16th rib from front of neck knit back from front 25 sts., bind off 18 sts. and knit across same as before, but when coming back towards front cast on 18 sts.

where the 18 were bound off on previous row; this forms opening for pocket), and when same length as other front knit both sides on to the one needle and knit plain until same length as back to beginning of border, making border like back. Bind off *very loosely*, knitting 2 sts. together across row. Sew up under-arms and sleeves.

COLLAR: Cast on 5 sts. with Rose (knit first st. while widening only), knit 2 ribs, widening 1 st. at each side every row, join Turquoise and knit in same way for 6 ribs. Join Rose and knit 2 rows the same; there should be 43 sts. on the needle. Take off work on to an extra needle and knit another point the same and when widened to the 43 stitches on the same number of rows knit both points on to one needle and with the Turquoise knit back and forth without widening for 5 ribs, then join Pongee color and knit remainder of collar without widening for 37 ribs (or 9 inches). The two points are always widened 1 st. at each side every row until the ending of the second Old Rose row.

This makes the collar 86 sts. wide by 11 inches deep from center. Sew on to sweater from the beginning of the 10 sts. cast on for the front on each side. Crochet in Brier stitch with the Rose all around collar and revers, finishing the opening at front with cords and balls, also ball on each point of collar on back.

POCKET: On the upper side of pocket take up the 18 sts. bound off and 1 st. on each side of pocket, making 20 sts. wide in all, with Turquoise, knit 1 rib (or 2 rows), then narrow once each side on every rib, or every other row, for 5 times and bind off. With Rose crochet 1 row of Brier stitch all around lappet of pocket. (Brier stitch is a single crochet made by putting the thread in front of the crochet needle and taking up the stitch the same as in regular single crochet, only bringing the stitch up back of the thread, then put over the thread and work off the s.c.) With Pongee take up the 18 sts. on the lower side of pocket and knit 19 ribs, bind off and sew to edge of upper side of pocket where lappet is joined. Sew up sides.

CUFF: With Turquoise set up 56 sts., knit 6 ribs, 1 rib Rose, then join Pongee and narrow 1 st. each side every 4th rib for 5 times, or until 10 sts. are taken off, and knit until cuff is 6 inches deep. Sew sleeve down into cuff about 2 inches from bottom and finish all around top with Rose in Brier stitch.
