No. 3 Crochet Cotton for leaves and stems. No. 5 Crochet Cotton for grapes.

GRAPE LEAF

Ch 18, turn, sk 3, 15 dc in 15 st, turn with a loose loop, sl st in 2d and 3d following dc, ch 3, a dc in same st with last sl st, a dc in each following dc, working in back loop of st to form a rib, 2 dc in 1st st of the 3 ch. Ch 6, sk 2d st of 3 ch and 2 dc in next, then a dc in each st down other side, leaving 4 at end, turn, work as before to make the notch of leaf (a sl st in 2d and 3d following dc, ch 3, a dc in same st with last sl st), dc in each dc, with 2 in last, next to ch, dc in each of 1st 3 sts of ch 6. Ch 6, a dc in each last 3 sts of same ch 6, 2 dc in dc following, a dc in each dc, 2 in last, 3 in 3 of ch 6. Ch 6, 3 in last of ch 6, dc in dc down other side to end, turn, sl st to 5th dc as before and work around leaf, leaving 4 at end, turn, continue in this way until you have 5 sps formed by ch 6 at base of leaflet, and when making the last large notch (ch 3, dc in each dc), put 1 dc of 1st 2 sts of ch 3, 2 dc in each of next 2, 1 in each of next 2, and finish row to match other side, turn, sl to 5th dc as before and break off 10 in. of thread with which to join sections.

The 2d section, or leaflet, has 4 sps in the center, and is worked in the same way, with notches as follows: End notch as directed, small notch each side, 1 large notch and 2 small notches.

The large notches are formed by commencing with 3 ch and carrying the dc to the end on the opposite side to the small ones by slipping to 5th dc at beginning and leaving 4 dc at end to correspond. Leave 10 in. of thread to join.

Now count the sts on the side of section which is to join the center, or section first made, beginning with

the 2 dc in last dc next to sp and counting to end of row, place at corresponding dc of center section, counting from 2 dc and make sl st in a vein of each st, the one next you and the further one on the other section. After the 2 dc and joined, break the thread and fasten securely. The small leaflet, or section, has 2 center sps and 3 small notches each side the center notch. Join the side to next, or 2d, section, putting the 2 dc together, counting to end of row on small section and the same number of dc on the 2d section.

Having finished the leaf, wind thread around four matches held together, slip off and fill with dc.

Sew the sections to under side of ring having the smallest section about $\frac{1}{4}$ inch apart.

For the leaf stem, make a ch of 44 sts, turn, sk 1 ch, a dc in each following st to the end, ch 1, turn a dc in each 12 dc, taking both veins of st, 2 dc in next (1 in each of 3, 2 in next), 4 times, then 1 dc in each dc to end. Sew to under side of ring between small sections.

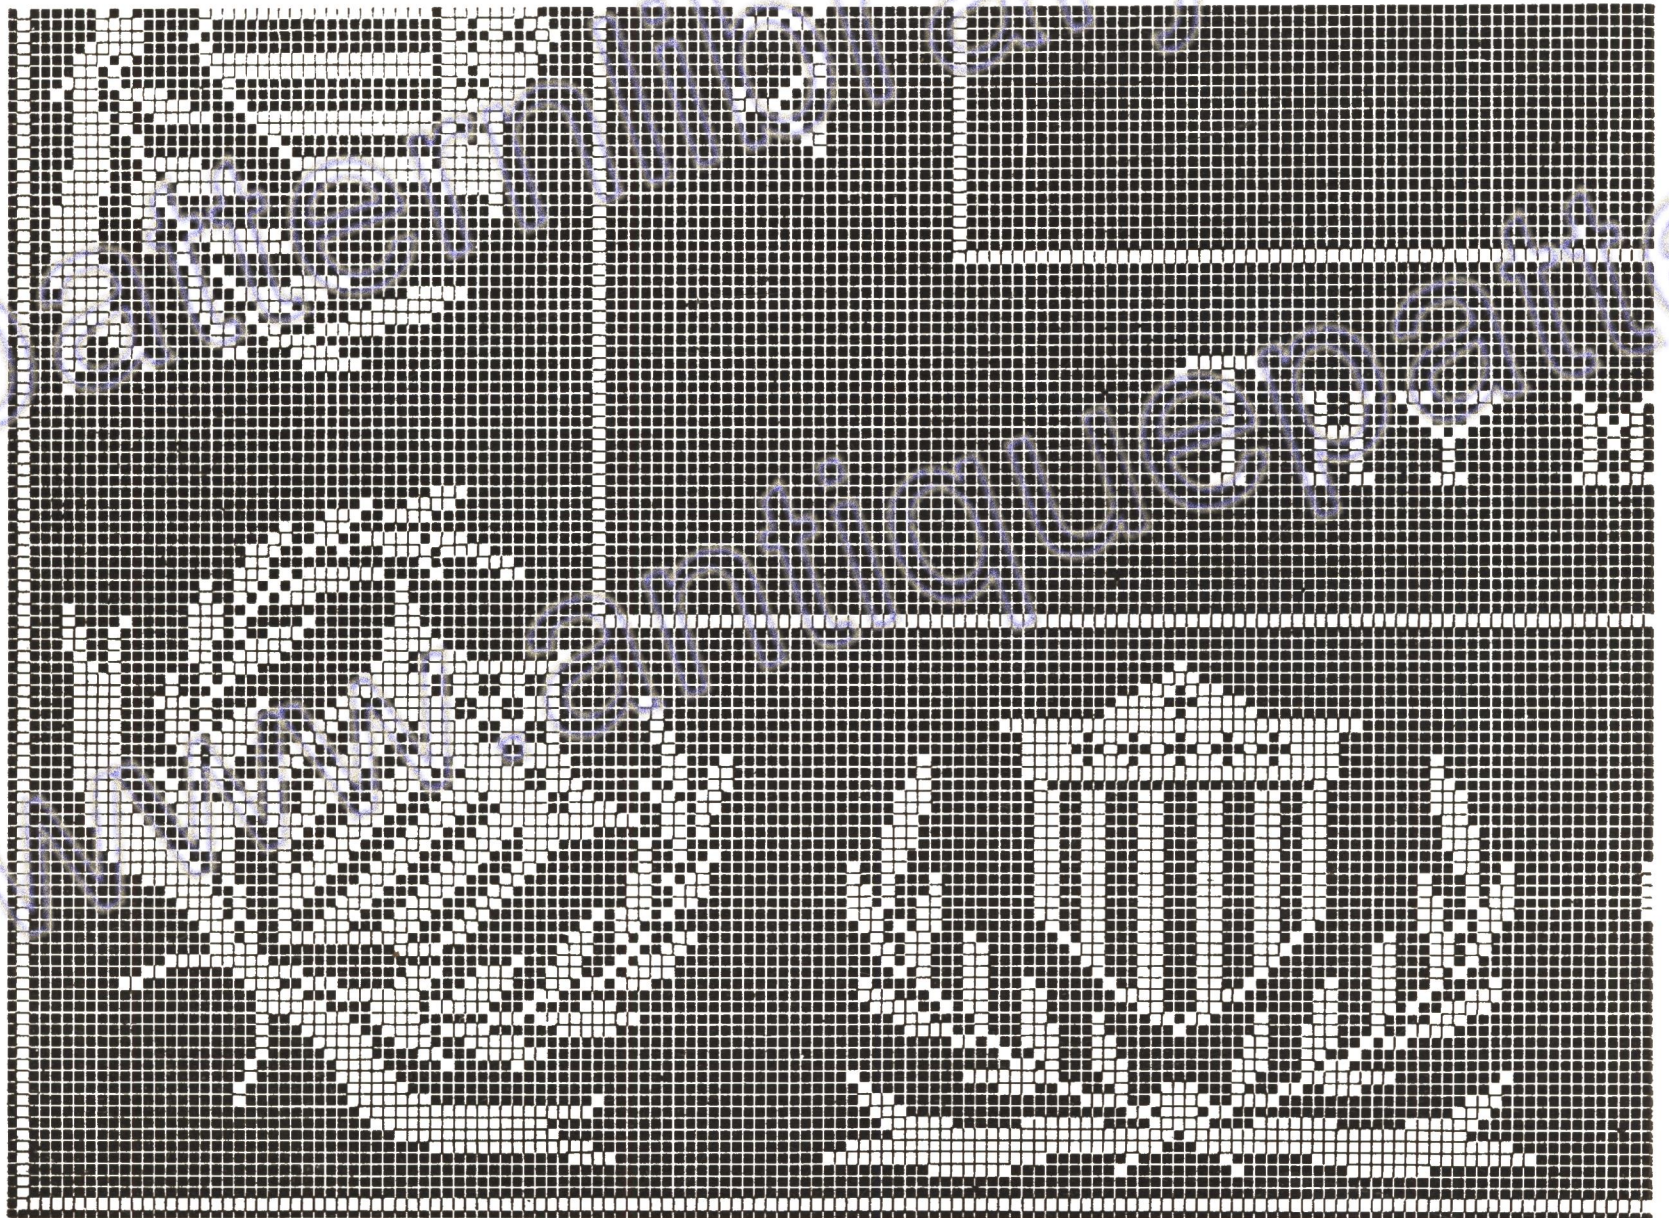

GRAPES

Ch 4, 7 dc under ch. Make 2 dc in each of 7 dc in next row make a dc in dc, 2 in next, and in next a dc in each of 2 dc, 2 in next, sk 3d st in next row, sk every 2d st in the next row, then with top of the crochet hook stuff in some cotton tightly until the ball is full and a good shape, continue crocheting around and close the top with one or two sl sts. (Always take up both loops in working the ball.)

STEMS FOR GRAPES

Ch 15, turn, sk 1, 1 dc in each st, ch 1, turn, 1 dc in each dc.

Join the grapes neatly together, having 16 in cluster, and arrange like plate. Cut out between the leaves and stems, turn back and hem neatly.

INSTRUCTIONS FOR CROCHETING STITCHES

1. **CHAIN:** Make a loop, insert hook, throw thread over hook, and draw a loop through first one made. Each loop is a chain stitch.

2. **SLIP STITCH:** Insert hook in foundation chain, draw a loop through it and the loop on hook.

3. **SINGLE CROCHET:** Make chain, insert hook through second last chain, throw thread over hook, draw through, throw thread over hook, draw through both loops at once.

4. **DOUBLE CROCHET:** Throw thread over hook and draw a loop through foundation chain; throw thread over hook and draw through two loops, thread over hook and draw through last two loops.

5. **TREBLE CROCHET:** Throw thread over hook twice, draw a loop through foundation chain, throw thread over again, draw through the two loops, throw thread over and draw through two, thread over and draw through last two.

6. **PICOT:** Chain 4 and make single crochet in fourth chain from hook.

7. **SPACE:** This is for Filet Crochet Work. Chain two stitches, skip two stitches, one double crochet into next stitch.

8. **KNOT STITCH:** Having a st on the needle, drawing the loop out to the length of 3 ch, draw the thread through for ch st. Take up the single thread of this loop and work one sc st on it. Repeat once. Skip 5 sts of the previous row, if not knot st, and work 1 sc. If the previous row be knot st, make 1 sc each side of the sc between the long loops of last row.

9. **BLOCK:** Also for Filet Crochet. Four dc in adjoining sts. The number of dc in adjoining blocks is found by multiplying the number of blocks by 3 and adding one.

10. **HALF DOUBLE CROCHET:** Worked in groups of 3, 4 or more dc, by making 1st half of each st, holding last st of each till you have all of the stitches half made and working all off at once.

11. **HALF TREBLE CROCHET:** This is worked like the half dc except you throw thread over twice, two off, two off, holding last st of each tr until you have all 3, or 4, as the case may be, when all are worked off together as one st.

12. **TRIPLE TREBLE:** Worked like treble, but thread over 3 times.

13. **FANCY MESH:** Also called Lacet. This consists of two rows. The first a row of long meshes, 1 dc, 5 ch, skip 5 st, 1 dc, repeat. For the second row, 1 dc in dc of long mesh, ch 3, catch in center of 5 ch of 1 m, ch 3, dc over dc.

14. **SHELL:** Make chain required length. Ch 3 for 1st tr, 3 tr in 4th st of ch, ch 2, 3 tr in same st *, sk 5, 3 tr in next st, ch 2, 3 tr in same st. Repeat from *.

2d row of shells—make shell in each ch 2.

15. **LATTICE STITCH:** For the Lattice st, make the first loop like the first loop of knot st, make a tight sc to hold the loop firm, then a dc, repeat as many times as desired.

16. **DOUBLE TREBLE CROCHET:** Is made similarly to the treble, the difference being that the thread is thrown around the needle twice and the loops are worked off two at a time for three repeats.

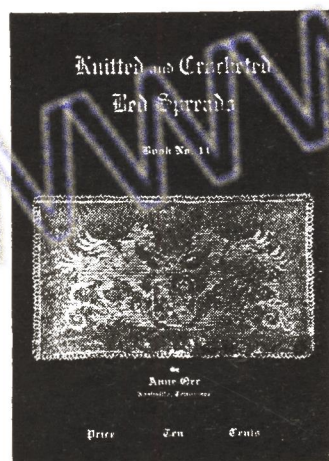

17. **ROLL STITCH:** Roll thread around needle 15 times, put thread over and draw loop through the entire 15 loops, then make one chain stitch.
