Your Next Workbasket

Four lovely pillow slip designs (see cover), will be part of next month's trans-

fer. Also on the transfer you will receive cutting guides and directions for the clever patchwork skirt and apron pictured, as well as a number of handy turbans.

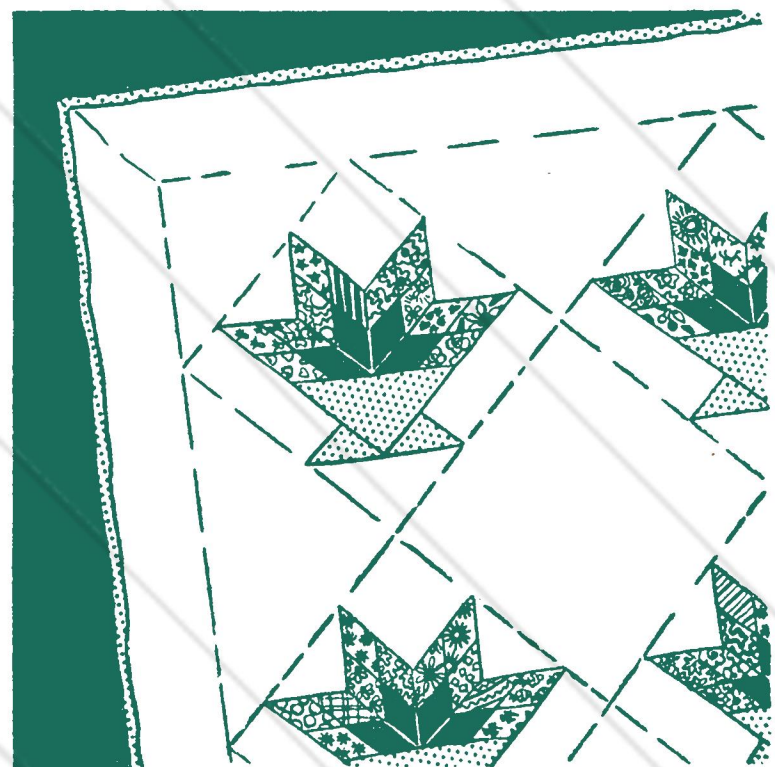

Two crocheted rugs, inspired by the geometric patterns of the Navajos, are made from easy to follow charts. For these you may use rags—either cotton or woolen, or one of the heavy rug materials which may be bought. The same charts worked in regular crochet thread of string weight, produce mats for many uses.

In crochet there will also be three refreshment sets and a cunning little holder which is crocheted around a wishbone.

This may be used for your thimble or merely for decoration.

The quilt is the Tulip Basket, a pieced block of lasting beauty.

Versatile Crocheted Edge

Use number 20 or 30 mercerized crochet cotton in white or ecru, and a number 11 hook. The edge at top will be about 4 inches wide.

Ch 44. Row 1: sk 8 sts from hook, work 2 dc in 9th st from hook, *ch 5, sk 5 sts of ch, dc in next st of ch, ch 2, dc in same st with last dc, repeat from * 5 times (six 2 ch spaces in work), ch 5, turn. Row 2: dc on last 2 ch worked, (ch 2, dc on same 2 ch) 3 times, *dc on next 2 ch, (ch 2, dc on same 2 ch) 3 times, repeat from * on each 2 ch, making 6 shell-like groups; 2 dc in 2 dc

of row 1, 2 dc on 8 ch, ch 3, dc in 4th st of 8 ch, ch 7, turn.

Row 3: 2 dc on 3 ch, 4 dc in 4 dc, ch 5, dc on center 2 ch of first shell of row 2, ch 2, dc on same 2 ch, *ch 5, dc on center 2 ch of next shell, ch 2, dc on same 2 ch, repeat from * on each shell; ch 5, turn. Row 4: work shells back as for row 2, work 6 dc in 6 dc, 2 dc on 7 ch, ch 3, dc in 4th st of 7 ch, ch 7, turn.

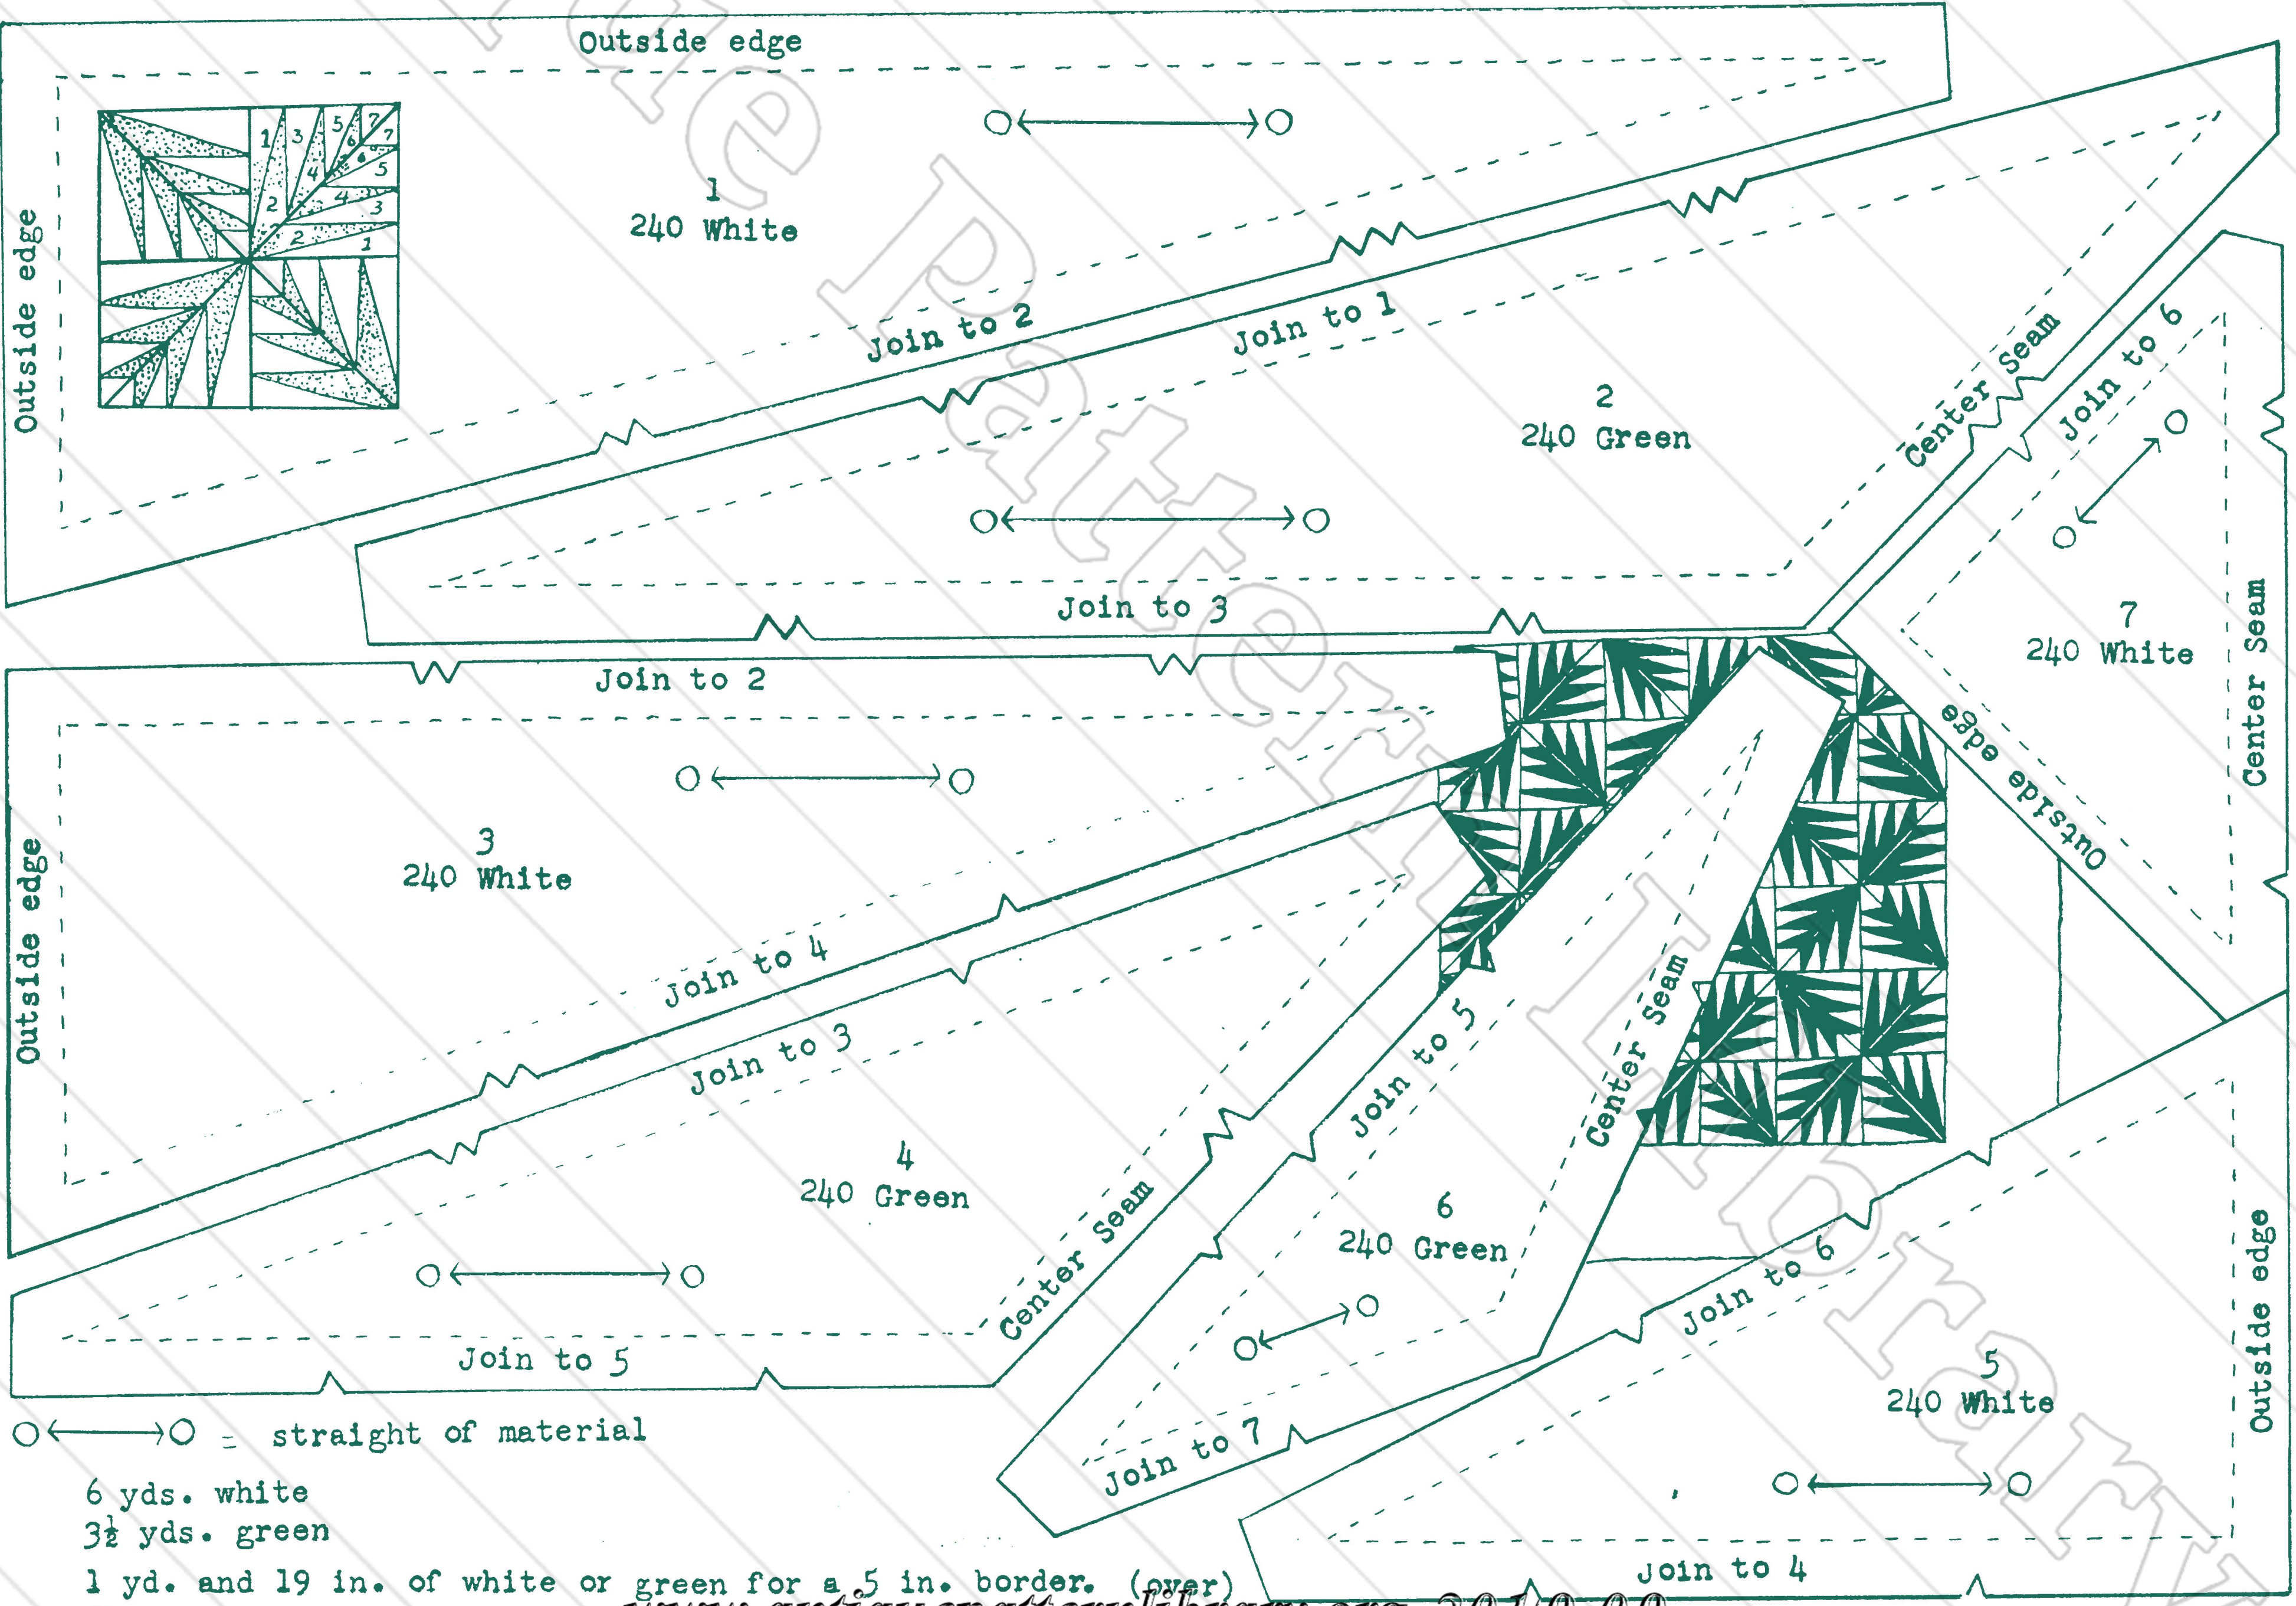

Row 5: 2 dc on 3 ch, 8 dc in 8 dc, finish as for row 3. Continue in this way, increasing 2 dc in each row until there are 12 rows of dc (6 rows of shells).

In the next row, where second point begins, you will be at beading or straight edge of lace. Ch 7, turn, 2 dc on 3 ch, (ch 5, sk 4 dc, dc in next dc, ch 2, dc in same st with last dc) 5 times, ch 5, dc on center 2 ch of first shell of last row, ch 2, dc on same 2 ch, ch 5, turn. Begin with the 2nd row directions again and repeat through 12th until edge is of

desired length. To join ends of lace, fit the diagonal ends together and whip.

Matching edges of varying widths are easily made—these are nice for guest towels, pillow cases and other items where a narrower edge seems more suitable. Three additional widths are shown . . . the one having 3 rows of shells is 2½ inches wide; that with 2 rows of shells is 1½ inches wide, and the narrowest with only 1 row of shells is 1 inch wide.

In making the beginning ch for the narrow edges, ch 6 for each shell, and 8 to turn as for the wide edge. For instance in the edge which has only one row of shells, ch 14, sk 8 sts from hook, 2 dc in next st of ch, ch 5, dc in end of 14 ch, ch 2, dc in end of ch with last dc. Ch 5, turn, work a shell on the 2 ch, 2 dc in 2 dc, 2 dc on 8 ch, ch 3, dc in 4th st of 8 ch, ch 7, turn; 2 dc on 3 ch, ch 5, sk 3 dc, dc in 4th dc, ch 2, dc in with last dc, ch 5, turn, and repeat from 2nd row to desired length.

○ ← → ○ = straight of material

- 6 yds. white
- 3½ yds. green
- 1 yd. and 19 in. of white or green for a 5 in. border. (over)

The edge which has 2 rows of shells is begun with a ch of 20, sk 8 sts, 2 dc in next, ch 5, sk 5 sts of ch, dc in next, ch 2, dc in with last dc, ch 5, dc in end of 20 ch, ch 2, dc in with last dc, ch 5, turn, work 2 shells, 2 dc in 2 dc, 2 dc on 8 ch, ch 3, dc in 4th st of 8 ch, ch 7, turn, 2 dc on 3 ch, 4 dc, ch 5, dc on center 2 ch of first shell, ch 2, dc on same 2 ch, ch 5, repeat on next 2 ch, ch 5, turn, work 2 shells, 6 dc, 2 dc on 7 ch, ch 3, dc in 4th st of 7 ch, ch 7, turn, 2 dc on 3 ch, ch 5, dc in 4th dc, ch 2, dc in same dc, ch 5, dc in last dc (9th), ch 2, dc in same dc, repeat from 2nd row.

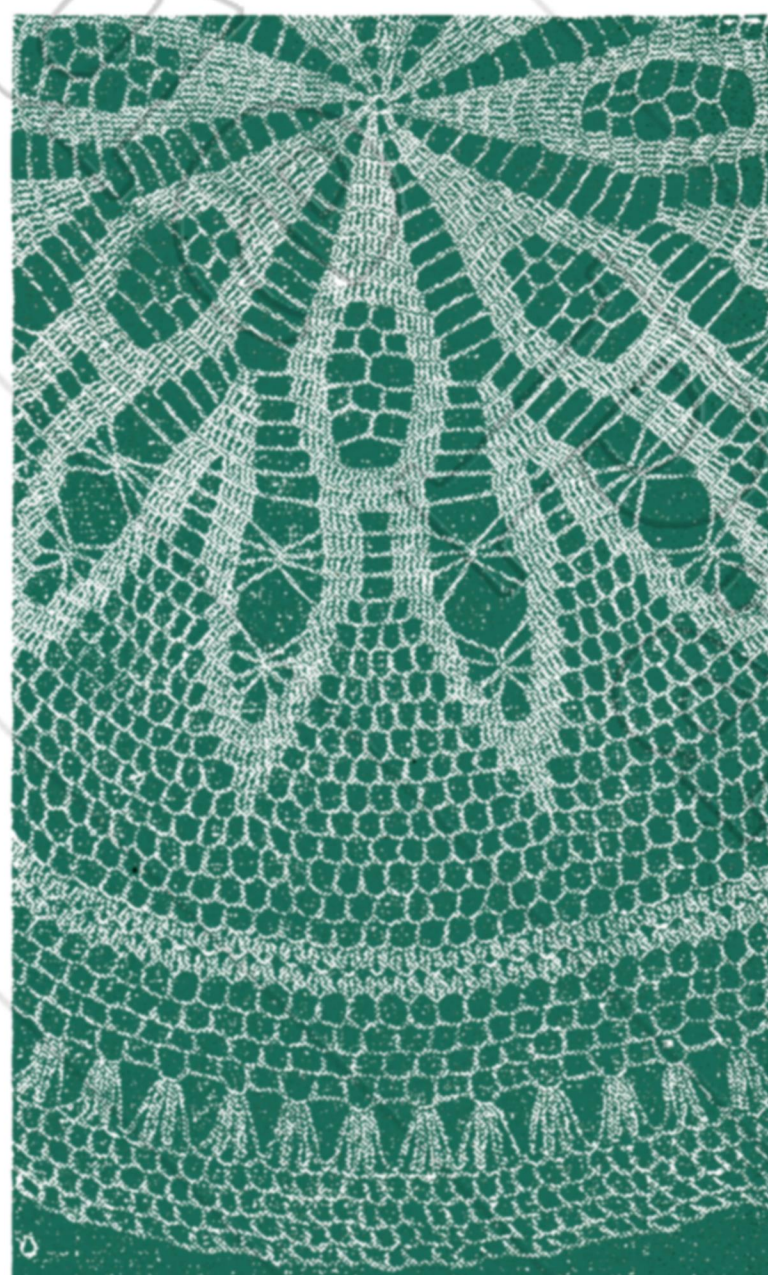

The edge having 3 rows of shells is begun with a ch of 26, work the same, with three shells, 12 dc in last row. When beginning 2nd point, work 2 dc on 3 ch, (ch 5, dc, ch 2, dc) in 5th dc, 9th dc, and in center 2 ch of first shell.

If the bottoms of legs of furniture are waxed they will not scratch polished floors when moved.

Palm Leaf Quilt

From white cut 240 each of 1, 3, 5 and 7. From green cut 240 each of 2, 4 and 6. It would be wise to cut a pattern without seams from cardboard, and draw around each piece so you will have a line on which to sew; otherwise, the blocks may not be perfectly square. If material has right and wrong side, half of all pieces are cut in reverse. Sew blocks together as shown in small sketch. Sew four 8" blocks together to form 16" block. It takes thirty 16" blocks to make a quilt about 90x106, and this size includes a 5" border.

Starting with white piece 1, sew to green piece 2, matching notches. To this sew white piece 3 matching notches and keeping outside edge even. Next sew on green, 4, keeping center piece even. White piece 5 is added, then green piece 6—be careful to get this piece on properly. Join white piece 7. This completes half of block—make other half in same way, except use reversed pieces. Sew the two halves together, matching notches. This makes an 8" square. Sew four of the 8" squares together in order shown in small sketch to make one 16" block.

Crocheted Centerpiece

Use number 5 mercerized crochet cotton in white or ecru, and a number 10 hook. If you prefer a lustrous finish you may use rayon crochet thread. The cloth will be about 36 inches in diameter. For a smaller cloth you may stop at the end of any round after the large center motif is completed. To make a cloth about 46 inches across repeat rnds 34 thru 44 inclusive after completing directions given. For a larger piece you may continue working mesh rounds as in the 43rd and 44th; for extra fullness add 1 st in each ch of rnd. If more fullness is desired repeat the 34th and 35th rnds at intervals.

Ch 8, sl st in end of ch to form ring. Rnd 1: ch 4, (4 ch counts as 1 tr), 1 tr on ring, *ch 4, 2 tr on ring, repeat from * 6 times, ch 4 and sl st in 4th st of 4 ch at beginning of rnd, (8 spaces around ring).
