# Instruction Books

A Few Selected Books Imported Especially by Us

IN the endeavor to develop the taste for fancy needlework and to make the use of the numerous articles better known that are made especially for sewing and embroidery, a series of works is here offered containing a world of information dealing with every kind of known needlework.

Each album is composed of a series of very varied designs with an explanatory text by the aid of which it will be found easy to carry out even the most complicated work.

Although these publications surpass all that has ever been done in this way before—by their artistic value, the choice of the designs, and the attention applied to their execution—yet, they are sold at a price quite inferior to their real value. They could not have been produced under more favorable conditions, in consequence of the important editions and their intended aim.

As the text however is of secondary importance while the designs are the principal point, those works which are not published in the English language can also be used to a great advantage in the United States and Canada.

**No. 786—Encyclopedia of Needlework**—A handsome volume of about 800 pages illustrated by 1107 engravings. The most exhaustive work of its kind completely covering the entire art of needlework. English cloth binding, gilt tops, size 4x6. Price, 65c.

**No. 787—Album II.**—Forty plates with 136 colored designs, size 8x11½ inches, comprising several alphabets, showing 182 designs in cross-stitch work. Artistic cover. Price, 19c. each.

**No. 788—Album III.—Cross-stitch Work**—Forty plates, size 8x11½ inches. Artistic cover. The designs in this Album are entirely different from Album II. Price, 19c. each.

**No. 789—Motifs for Embroideries (IIIrd Series)**—Size 8x11½ inches, containing 20 colored plates composed of various designs in modern style, for embroidery on counted threads. Price, 29c. each.

**No. 790—The Embroiderer's Alphabet**—4x6 inches, containing 92 colored plates composed of alphabets, monograms and patterns for

counted stitch embroideries, followed by 10 plates of monograms and festoons with tracings for white embroidery. Attractive cover. Price, 25c. each.

**No. 791—Crochet Work, IIIrd Series**—Size 8x11½, containing 12 plates with a great variety of patterns for crochet work and explanatory text with figures. Artistic cover. Price, 45c. each.

**No. 792—Instruction Book on Filet Work**—Size 6x9, containing 20 colored plates showing designs in actual size, making it easy to copy. The text in this book is in the German language, but the illustrations are so clear that they can be easily understood by anyone. A handsome book. Price, 25c.

**No. 793—Instruction Book on Drawn Work**—6x9 inches, illustrating all the stitches used in this fascinating work; it also contains 20 plates, showing a variety of patterns. The text in the German language. The designs are so clearly printed that they can be copied by anyone without understanding the text. Price, 25c.

The Art Needle-work illustrations shown in this book—in point of beauty, originality, and variety of design are unsurpassed in any work of equal size. The prices—quality, service and up-to-dateness considered—are the very lowest consistent with a square deal. We carry every sort of Art Needle-work Materials that are used now-a-days, and as each item is carefully illustrated and described, this book is invaluable to every needle-worker, not only as a means of ordering, but also a book of reference. You are, therefore, requested to preserve it carefully. When ordering, do not mutilate its pages by cutting out illustrations. Simply specify **quantity, style number, and size of article** wanted. We employ artists to get up our new drawings. You are therefore assured of original designs. As for quality of merchandise, we feel the best is none too good for our customers. Our facilities are such that we ship all goods the day order is received. Prompt service is one

of the principles that has helped to build up this business. The same careful attention is given to small orders as to large ones, so that no matter what you need you may order with full confidence that we will try to

satisfy you. The volume of business coming to this house has been growing enormously from year to year. There has been no setback. Every day brings its quota of new customers and every day brings orders and letters demonstrating that the old ones are still with us and well satisfied. A charge of twenty-five cents is made for this book to protect ourselves against those who might otherwise send for it simply out of curiosity.

We thank our customers for their generous support, and with the promise of continued efforts to please, we anticipate their future orders.

Yours truly,

Designs shown in this book

## HOW TO ORDER

In ordering goods observe the following rules and all mistakes will be avoided: **Write your NAME and ADDRESS PLAINLY on every order, giving name in full.** If goods are to be sent to other than permanent address, please give home address as well. When ordering always give number and name of article, not forgetting to mention the color. **Do Not Mutilate Book.** Send all amounts above \$1.00 by Registered Letter, Bank Draft, Post Office or Express Money Order; small amounts (25 cents or under) acceptable in stamps, one and two-cent preferred. Currency sent in ordinary letters is at your own risk.

Any goods ordered to be sent by mail, will be sent at your own risk unless **8 cents is added to register same.** All C O D. orders must be accompanied by \$1 00 to insure us that goods will be taken from the express office. The dollar will be credited on your bill. **We do not pay Express charges on packages sent C. O. D. Private checks not accepted unless accompanied by 10 cents extra for exchange.**

Packages over 4 pounds must be sent by Express. We do not pay Express Charges.

## DON'T SEND STAMPS

We must hereafter decline to accept stamps in sums larger than 25 cents, except from those who reside at places so remote that P. O. Order or Bank Draft cannot be obtained, and who cannot conveniently remit by any other way. Therefore, if you send more than 25 cents worth of stamps (except for reasons above stated) *we will be obliged to RETURN them.*

**We will NOT be responsible for goods lost in the mails, unless you send 8 cents extra and order the package registered.**

## Postage Paid on all Orders Amounting to More than 25c.

**WE DO NOT PAY POSTAGE TO FOREIGN COUNTRIES.**

When your order amounts to less than 25 cents, add two cents for postage. We make this rule because ladies sometimes send in an order for half yard of braid, or a few rings, costing perhaps two or three cents, and it takes all we get to pay the postage.

## DON'T STICK STAMPS TO YOUR LETTERS.

You will find our Price List in this catalogue, and anything not quoted here we will furnish at the lowest possible price. Give us a trial and we will convince you that you can do better by dealing with us than elsewhere. No old stock allowed to accumulate. All orders promptly attended to.

**In writing for information please enclose stamp for reply.  
Samples of Braids or Linens sent on receipt of two cents.**

## IMPORTANT — ABOUT DELAYS

We fill orders promptly. If you do not hear from us in a reasonable length of time, write us, giving the facts, viz.: When you ordered, what you ordered, how much you sent us, and in what form, cash, stamps, etc. In nine cases out of ten the delay is caused by the **name and address having been left off** or similar errors over which we have no control. By conforming with the above, your complaint will have prompt and intelligent attention.

## NO ORDER TOO SMALL AND NONE TOO LARGE.

**Prices quoted in this list supersede all previous prices. Money refunded if goods are not as represented. PRICES SUBJECT TO CHANGE WITHOUT NOTICE.**

## TAKE NOTICE!

All premium offers in previous issues of our catalogues are discontinued. We can offer a cash discount of 3 per cent. on all orders amounting from \$5.00 to \$10.00. Orders from \$10.00 and up are entitled to a cash discount of 5 per cent. Positively no premiums. No discount on outfits. See page 2 in catalogue for special discount on perforated patterns.

We are compelled to raise the price on all linens used in the art of needlework in order to furnish our customers with the best grades of linen, as we do not as many others, furnish stamped linen, at the old price by furnishing inferior grades.
