Foundation Stitches in Crochet and How to Make Them

8. **KNOT STITCH:** Having a st on the needle, draw the loop out to the length of 3 ch, draw the thread through for ch st. Take up the single thread of this loop and work one sc st on it. Repeat once. Skip 5 sts of the previous row, if not knot st, and work 1 sc. If the previous row be knot st, make 1 sc each side of the sc between the long loops of last row.

9. **BLOCK:** Also for Filet Crochet. Four dc in adjoining sts. The number of dc in adjoining blocks is found by multiplying the number of blocks by 3 and adding one. This sample would read 1 sp, 1 blk, 1 sp, 2 blks, 1 sp, 3 blks, 2 sps, 1 blk.

10. **HALF DOUBLE CROCHET:** Worked in groups of 3, 4 or more dc, by making 1st half of each st, holding last st of each till you have all of the stitches half made and working all off at once.

11. **HALF TREBLE CROCHET:** This is worked like the half dc except you throw thread over twice, two off, two off, holding last st of each tr until you have all 3, or 4, as the case may be, when all are worked off together as one st.

12. **TRIPLE TREBLE:** Worked like treble, but thread over 3 times.

13. **FANCY MESH:** Also called Lacet. This consists of two rows. The first a row of long meshes, 1 dc, 5 ch, skip 5 st, 1 dc, repeat. For the second row, 1 dc in dc of long mesh, ch 3, catch in center of 5 ch of 1 m, ch 3, dc over dc.

14. **SHELL:** In one stitch of previous row make 2 dc, ch 2, 2 dc in the same st. In the illustration 2 kinds of shells are shown. The second kind has 3 dc in one st, 2 ch, 3 dc in same st. The other rows would be described sh in sh.

Boudoir Cap, Butterfly Design to Match Gown on Page 12

MATERIALS—Two balls Coats Six Cord Mercerized Crochet Cotton No. 20, net or other goods to line same—a piece about 14x14 inches will be large enough.

Patterns for Butterflies are given on page 21.

Make large butterfly in center of cap first, by chaining 82, then when it is made go all around by chaining 6 and fastening in every other dc. Continue going around as many times as necessary and widen about every third row, 3 by adding 1 ch to each loop. When desired number of rows are made, draw in by chaining 4 and fasten in center of each loop. This will give it the round effect. Then make 4 small butterflies in band, and for edge make 3 d c, 1 p, 3 d in every third sp.

If it is not coming out even, take 2 or 4 loops at a time. Join the other strips same way, putting the two 15-inch strips in middle, 1 of the 14-inch strips on each side, until all are used. Then put the long strip all around. Finish with 2 ch between loops of the outer edge, repeat around, then ch 4, miss 1 loop, catch into next loop and repeat all around.
